Hi Miguel,

Alan had a fire at one of our pumping stations today so he wasn't able to return your call, but he is waiting for approval to attend the meeting. He will get back to you soon.

Thanks,
Andrea

Subject: Invite to R5/State Directors Meeting

Hi Alan,

Tom Poy has asked me to present the findings of the sampling study to the State Directors who will be in town for our annual R5/State Directors meeting, and he asked that I extend an invite to you for the presentation. The current draft agenda has the talk scheduled for April 17, from 8:30am to 9:30am. The topics would be the Chicago study and Chicago's lead-related activities (Health Dept testing water, etc.). Please let me know if you are interested/able to make it.
